

# THE CIRCULAR ECONOMY

## Description

Yesterday, Parliamentary Secretary for Labour and Burnaby North MLA Janet Routledge introduced the new â€œBurnaby Modelâ€• in the provincial legislature in Victoria, BC.

> â€œIâ€˜m proud to tell you that Burnaby, where I live and work, is on its way to becoming a wo rld leader in putting circular economy principles into practice.â€œ ~ Janet Routledge, Burnaby North MLA

Janet was speaking in support of a circular economy motion where she highlighted some of the newest UCI Climate Cooperative projects including the textile recycling and heat pump cooperative projects that are currently in development.

Both new cooperative initiatives, supported through international expertise and core funding from Vancity Credit Union, will help British Columbia meet our climate targets.

Please reach out if youâ€™re interested in getting involved in the Climate Cooperative or our new Cooperation Burnaby campaign.
